## OPEN YOUR WINE BOTTLE WITH AIR! CORKPOPS - LEGACY WINE OPENERS

The Cork Pops Legacy Wine Opener is a wine opener that puts fun into removing the cork from a bottle of wine. The Cork Pops Legacy Wine Opener uses a low-pressure inert gas cartridge to gently pop the cork from a wine bottle without affecting the taste of the wine or harming the environment. With the Cork Pops Legacy Wine Opener simply insert the needle straight down through the cork, press once and the cork pops out. The Cork Pops Legacy Wine Opener offers a unique single step motion for effortless cork removal as well as incorporating an enhanced foil removal system, patented cork ejector, and user-friendly rubberized finish. The Cork Pops Legacy is designed to fit all traditional wine bottles as well as flanged lip bottles. The rubberized black finish makes it the perfect addition to any style bar. It comes packaged with one cartridge which will open between 60-80 bottles of wine. The Legacy by Cork Pops is a must have wine accessory for every wine enthusiast.

## CORKPOPS Brand -- VinOair, WINE AERATOR

Ingenious construction complemented with optimal convenience. This on-bottle wine aerator does it all: serves up a perfect pour, eliminates drips, and fully aerates and oxidates your wine for maximum flavor and quality. Using innovative technology, the VinOAir wine aerator has a specially designed, dual venturi chamber that pulls twice the vacuum as other leading aerators to more fully oxygenate your wine (unlocking premium flavors and aromas), while the sleek, compact size makes for effortless portability. Simply place aerator on the mouth of your wine bottle, smoothly pour yourself a glass, and voilà-perfectly oxygenated wine in seconds! Works with both red and white wines.

## CORKPOPS Brand -- 911 Wine Stain Remover

This red wine stain remover is a must for red wine drinkers. Vino 911 Red Wine Stain Remover is proven effective to remove almost any red wine stain. Vino 911 safely removes most red wine stains from clothing, linens, and carpet. The 2-ounce spray bottle of Vino 911 is the perfect size for handbags and this wine remover works to get wine out anywhere - restaurants, bars, wine tastings or while traveling.

To remove a wine spill, gently shake the Vino 911 bottle and spray on the red wine stain, blot excess with a clean white cloth and let dry. Vino 911 starts working on contact. The stain will disappear completely within minutes.

Vino 911 Red Wine Stain Remover's amazing formula uses all natural ingredients to break down and eliminate stains. It contains no artificial chemical solvents and no perfumes. The hypoallergenic formula cleans and deodorizes the stained area naturally.

Vino 911 is an all natural entertaining emergency responder that is safe for fabrics, carpets and you! Made in the US.

## NEW SPRING 2022 .. CORKPOPS brand - **VinOstream**, Wine aerating & dispenser

The NEW VinOstream from Cork Pops is surely a great fit for any fall entertaining or gift guides that are on your radar. The VinOstream is an innovative 2-in-1 wine aerator and dispenser designed to aerate wine while it is being dispensed from the bottle into the glass, giving any wine enthusiast premium wine in one fluid motion. Each cartridge will aerate and dispense approximately 2 1/2 (750 ml) bottles of wine. The unit is sold with two cartridges.

We have tested this clever gizmo and found it to be The fastest and easiest way to aerate and dispense wine on the market. With its soft rubber stopper that creates an air-tight seal, the dispenser draws up and filters wine into the glass, exposing the liquid to air to achieve fine aeration for softened flavors and enhanced aromas. It fits most wine bottles, perfect for all red and white wines and comes with 2 cartridges included.

- The Fastest and Easiest Way to Aerate and Dispense Wine

- Soft Rubber Stopper Creates Air-Tight Seal

- Fits Most Wine Bottles

- For Red and White Wines

- 2 Cartridges Included
