

STAINLESS STEALS
———— THE SHOW

THE FUTURE IS NOW

We are one of the first few companies to pioneer the concept of comprehensive Stainless Steel Interior Solutions in Indian homes. Driven by our passion to enable transformation and create value for our customers, we take pride in designing and fabricating impeccable customized Stainless Steel modular kitchens, wardrobes, and bathroom vanities.

So while the range of our products have advanced through amalgamation of science, aesthetics and affordable luxury, our core essence has remained the same – a passion and commitment to offering timeless designs that speak of change, comfort, excellence, and inspiration. With an unprecedented level of designs, our products are adorned by all our clients and have impressed their neighbors/visitors (or may have created Envy)!

DESIGN

We believe in creating an enviable unit that will define the class to match the finest. With meticulous planning, outstanding design and standards of quality altogether; our output sets the benchmark of perfection.

MATERIAL

Brilliant and one-of-a-kind materials, inspired finishes is something that bears the imprint of unique design philosophy. Our quality integrates the same! Hence we manufacture in Stainless Steel and incorporate other design materials like glass, aluminum, etc . Now imagine the grandeur!

QUALITY

Choosing what lasts is our core principle and for the sustainability, we indulge in the best. They are not just rust-free, termite-free, weather proof and hygenic but also ensures the international standards.

WORLD CLASS HARDWARES

Every unit is well-equipped with world class hardware like Blum, Hafele, Hettich, etc. These have extended in crafting excellence to all that we provide.

FINISHES

Infinite range of finishes suit every individual's imagination! Hence, we provide lacquer paint finishes in gloss and matte, brushed finishes, etching, inlay work, etc. that forge alliance with the ultimate of it's kind.

LOW MAINTENANCE AND ECO FRIENDLY

Our masterpiece are touted to be amongst the low or zero maintenance expenses and with the distinctive eco-friendly aspects.

KITCHENS
|

AN ACCURATE SETTING FOR YOU
IN EVERY WAY.

LINEAR KITCHENS

There's a calm, collected confidence about the linear, long flowing lines, stunning simple doors where drawer fronts are uncluttered and handle free. The finish is clean, pure and perfectly contemporary. The linear is the very essence of modern kitchen design.

A MODERN MARVEL OF EXCELLENCE

These Kitchens epitomizing luxury, elegance, and comfort are as prestigious as they seem. They exude a class and character with design smartly striking a delicate balance between ergonomics, convenience and exclusivity.

ISLAND KITCHENS

Island Kitchen serves a number of purposes. In addition to being a visual anchor in the space, the Islands increases the room functionality and efficiency, hovering above as interactive connection between spaces.

L-SHAPED KITCHENS

With the increase in great rooms and loft-style living and the decline of the formal dining room, open floor plans and L-shaped kitchens have become a means of engagement, not just of space but a plateau of interaction.

U-SHAPED KITCHENS

'U-shaped' layout is a central library for larger household. A wide gallery kitchen with one end closed off, enabling accessibility and cooking at hand. These are ideal for larger household, penthouses and villas.

Appliances and fixture galore. We have collaborated with some of the most renowned german and italian companies. These products are engineered to harmonise the usability of the kitchen as a whole, subsequently our expertise is to tailor your everyday needs.

WARDROBES

INSIDE IT, LURKS YOUR SELECTIONS

OPENABLE WARDROBES

A dignified ecstatic touch, adorned with premium accessories that are elegant, without ostentation and excess.

SLIDING WARDROBES

Guided by a strong moral principle, we incorporate a range of intelligent design.
While flaw-less hardwares enhances an unmatched user experience.

Effortless Functions: Horizontal gliding doors; sleek and contemporary designs;
widespread length.
