

Customised Tea Blends

40 years of experience in the tea industry has equipped us with unmatched expertise in creating exquisite blends to suit the specific requirements of our discerning clientele. We consistently strive to enhance and innovate while devising blends to suit the everchanging trends of the modern market. Staunchly committed to ensuring that our clients get only the best of teas; we offer only high grade teas chosen by our tea tasters. Understanding our customers' precise needs and objectives before fulfilling their requirements and delivering consistent blends at competitive prices all year round constitutes our USP.

Private Label

We are a "One Stop Solution Provider" for all your private label tea requirements.

Starting from Designing your Private Label Products, Choosing the blend of your choice, all the way to Packaging, we provide you with insights every step of the way.

We offer a wide range of Premium Orthodox, CTC (Cut Tear and Curl) Black Tea, Green Tea and White Teas in different packaging options. These can be packed in customized packages such as Packets, Pouches, Pet Jars, Tea Bags, caddies, cannisters etc., as per your preference.

Packaging We Offer

Pet Jars

PET bottles are bottles made of polyethylene terephthalate (PET). These are commonly used in the tea industry. We offer food grade Pet Jars from 650 ml to 2800 ml .The same can be used for packing tea from 225 gram up to 2kg.
